Sir

I have the honor to state that the Deputy Amildar of Turuvekere reported to the Sub-Division Officer Tiptur on 11-7-1916 that in the course of examination of the pound registers of the several pounds in the Sub-Taluk in the month of June 1916, it was found out that the marginally noted items of receipt amounting to Rs 52-9-6 had not been credited to the Treasury; that it was ascertained from the pound keepers that the amount was received by the then Local

3 On perusing the records it is seen that the sales of Stray Cattle were conducted on the Sub Taluk Office by the Deputy Amildar himself On the 6th and 10th April 1916 and that on all the Sale Patties it is remarked under the signature of the Deputy Amildar that the sale amount has recovered soon after the sales were over and that the amount was included in the register kept in the office for being credited to the Treasury The Deputy Amildar was thereafter responsible for the Custody of the money and he should have immediately secured the money in the office Cash Chest. Instead of doing so he allowed the amount to remain with the Local Fund Clerk which was a serious irregularity The explanation of the Deputy Amildar for this omission has been Called for and will be submitted in due course.

The Local Fund Clerk was seriously at fault and he deserves

To L. Krishna Rao, Esq.,
Offg. Secretary to Government of

Thro' The Revenue Commissioner in Mysore. Bangalore.

Sir,

Adverting to Government Order No. 1317-8/L.B. 43-16-2 dated 12th August 1916 regarding the delay in remitting to the Treasury the cattle pound receipts in the Turuvekere Sub-Taluk aggregating to Rs. 52-9-6, I have the honour to submit herewith the explanation dated 2nd August 1916 furnished by Mr. M. S. Seshagiri Rao, Deputy Amildar.

The Deputy Amildar in his explanation states that there was no register maintained in the Sub-Taluk Office to show the sale amounts realized and credited to the Treasury and that there was no means of knowing whether the amount was credited or not. But a circular order had been issued so far back as10th May 1914 directing the maintenance of a petty cash book wherein the daily transactions had to be noted. The Deputy Amildar failed to see that the prescribed petty cash book was properly maintained.

The Deputy Amildar further failed to see the risk he was undergoing by allowing the Government money to remain with the Local Fund clerk who was not required to furnish security

As regards his suggestion to depute an auditor for examining the District Fund accounts of the past two years. I am of opinion that it is unnecessary as the local auditors of the Comptroller's Office audit the accounts every year. The explanation furnished by the Deputy Amildar is on the whole unsatisfactory and betrays want of due care in securing Government money.

The file of records received with the Gubbi Sub-Division Officer's Memo. No. L.F.37 dated 15th August 1916 is herewith forwarded

forwarded for reference and kind return.

I have the honour to be,

Sir,

Your most obedient servant,

Deputy Commissioner

Tumkur District.

Compd

I beg to submit my explanation as called for in para 1 of the Deputy Commissioner's order above:-

When I took over charge of this Sub-Taluk in the latter part of January last, the system in vogue here in cases of sales of stray cattle was this:-

(1) If the pound-keeper was present at the time of sale the sale amount would be given to his hands for crediting it to the Tiptur treasury and he would obtain a receipt for the same;

(2) if he was not present, then the sale amount would be in the custody of L.F. clerk who would obtain a receipt after crediting it at the treasury

There was no register kept in this office to show the number of sales of cattle held, & the sale-amounts realised and credited

There was no means of knowing whether the amount was credited or not except when the pound Keeper cared to have his Commission bills prepared and sent to Tipton treasury for verification

I thought this system was not a correct one and so ordered that a register should be maintained in the office to show clearly all the details of a sale and to obtain (1) in case of the presence of the pound-Keeper his initials for the sale-amount received by him to be credited to the Treasury and my initials for the same; (2) in case of his absence ~~to take~~ my initials.

I was informed that this was done in the same

He has remarked on the heavy parties that the sale amounts

were received soon after the sales were closed and that entries have been made in the register. (vide Phenist no: 1, pp 6+7 Phenist no: 2, pp 4+5). The register referred to is the one I had prescribed. Since Jan^y 1915, entries regarding sales of cattle etc have not been made in any register in the office

In the case of Mavmakne Sales, the L.I clerk has given a receipt for Rs 26-8-0 which does not bear my signature, which is unnecessary and which was produced by the pound-Keeper. (Phenist no. 6)

In the case of fines and feeding charges collected by a pound-Keeper, the system in force here is thus —

The pound-Keeper himself takes to the Treasury any amount he might have collected during a month and obtains a receipt for the same. No such receipt is sent-

to this office either by the party himself or by the Treasury as there are only three foils. It is only when he produces the Treasury receipt to have his Commission bill prepared this office can know whether the fines and feeding charges collected during a month have been duly credited or not. The amount of Rs 7—9—6 the L.T. clerk received on his own behalf from the pound-keeper and kept with him without crediting it for such a long period (Vide Memo no 3, 4 & 5)

In the case of Dabbiepattu Sales, (Memo no 2, pp 4 & 5), the pound Keeper was not present and the money was with the L.T. clerk and had not been credited to the Treasury.

The L.T. clerk Padmanabha-cha — when he was transferred from this place to Tiptur, did not hand over ~~the~~ ~~the~~ register pre scribed by me and as a new register has now been opened

There has been no remittance (2)

relates to a case of misappropriation of Govt money amounting to Rs 52-9-1 ~~accidentally~~ discovered in the course of an examination of the cattle-pound registers and at once made good by the clerk who was guilty.

2. The order of the Deputy Comr, Tumkur Dt, dispensing with the services of the clerk & waiving a criminal prosecution against him in view of the facts that the clerk is still young & that he was led to error by the carelessness of the Deputy Amildar, is recorded

3. The money relates to sale proceeds of stray cattle. The sale was held by the Deputy Amildar, Mr M. S. Shreshagiri Rao personally, but he did not order the receipts to be kept in the cash chest with the result that the clerk misappropriated it. The petty cash book not having been maintained there was no entry
